## Dependent Verification Worksheet

Group 5 - 2023-2024

Your 2023-2024 Free Application for Federal Student Aid (FAFSA) was selected for a process called verification. The Department of Education requires Vanguard University (VU) to verify your FAFSA information. VU is requesting documents to confirm the data entered on your FAFSA. If discrepancies are found, we may request additional documentation and/or make required updates to your FAFSA application. Please check your Financial Aid Self-Service Portal for additional requirements that may be needed. We will send an email notice to the student's @vanguard.edu email account when verification is complete. Please submit required document(s) by **June 1, 2023** so your financial aid is reflected on your student account prior to financial registration and/or payment plan deadlines.
