EDUCATIONAL LEADERSHIP

Vanguard’s Master of Science in Nursing Program integrates the excellence of a Christ-centered, academically challenging and intimate learning environment with the convenient location and scheduling needed to further your education while furthering your career. Faculty mentors facilitate and guide your growth as an educator and leader so you can take your career to the next level.

CONVENIENT SCHEDULE

Intentionally designed for your busy schedule:

- Focus on one class at a time, in a hybrid format, with occasional Saturdays
- Integrate online courses and blended online class activities
- Can be completed in two years

FINANCIAL AID

- 86% of Vanguard Graduate students receive financial aid
- Visit vanguard.edu/financialaid for more information

The master’s degree program in nursing at Vanguard University is accredited by the Commission on Collegiate Nursing Education (http://www.ccneaccreditation.org).
FOCUS

The purpose of the Master of Science in Nursing Degree is to offer a dual track program for the working nurse. Emphasis will focus on the development of both theoretical knowledge and practical skills in the areas of nursing/patient/staff education and leadership. The program consists of 40-44 units that can be completed in a minimum of six semesters.
