TITLE V - AGENDA

The goal of Title V is to **strengthen and enhance the pipeline of Hispanic and low-income students from early engagement to engaged alumni.**

2015 :: This goal will be accomplished through the comprehensive expansion and consolidation of student support services forming **Vanguard's Integrated Pathways for Success (VIPs)** and creating an **Institute for Faculty Development (IFD)** to train faculty in evolving pedagogical advances with culturally diverse populations.

2017 :: The overarching goal is to **develop comprehensive integrated pathways for Hispanic students to enter the teaching profession in the STEM disciplines** through one collaborative and two synergistic activities. **Vanguard's Integrated STEM Teach Achievement (VISTA)** program will train exceptional educators in Chemistry and Biology; the **Intensive Pedagogical and Research Experiences Program (iPREP)**, will launch a postdoctoral training program for recent PhD recipients aspiring to STEM education. Vanguard will also partner with local HSI 2-year institutions, including Orange Coast College, to create a four-year integrated program of professional preparation **Vanguard's STEM Transfer with Excellence Program (V-STEPS)** that will open access to teacher preparation for community college students and support them through that transition.
