ALERT #  
2021-14

## Catalytic Converter Theft

**Date / Time:** November 3, 2021 / 5:45 PM

**Location:** Vanguard University (East Lot)

**Subject:** Male, Bro hair, Yellow Jacket, Black Pants

**Vehicle:** Black Nissan Hatchback

**Details:** On the above date and time, the suspect drove onto campus and parked near a student's vehicle in the east parking lot. The suspect crawled under the student's vehicle and stole the catalytic converter and then fled campus via the exit off of Fair Drive. We have video of the suspect vehicle but the license plate was unreadable. It only took the suspect 4 minutes to steal the converter. This type of criminal activity is happening all over the state so please be aware of suspicious persons in the area and report them to Campus Safety via the Titan App or by calling directly. Last month, Campus Safety sent out an information bulletin on how to help prevent these types' crimes.
