

The following items are noted as corrections to the 2021-2022 Academic Catalog for Vanguard University of Southern California.

Changes are noted alphabetically, by academic division and then department. Links are published next to each noted change.

DIVISION OF ARTS, EDUCATION, AND HUMANITIES

Department of Early Childhood Education (<https://catalog.vanguard.edu/courses/cced/>):

1. Delete course: ECED 100.
2. Delete course: ECED 299.
3. Delete course: ECED 315.

Graduate Program in Education (<https://catalog.vanguard.edu/arhu/graduate/education/#coursestext>):

1. EDUG 610
Prerequisite: EDUG-605 and EDUG-606; and/or concurrent enrollment in EDUG-609
2. EDUG 614
Terms Typically Offered: Spring.
3. EDUG 670
Prerequisite: Consent of Director.
4. EDUG 680
Prerequisite: Consent of Director.
5. EDUG 690
Prerequisite: Consent of Director.
6. EDUG-699 Continuous Registration, 1 Credit
Continuation of independent project study. Credit does not count toward Master's degree requirements. Fee is equivalent to one unit of Graduate Education tuition. EDUG-699 carries a grade of CE (Continuing Enrollment) until all course requirements are met, at which time the grade is changed to CR (Credit).
Prerequisite: EDUG-610
Terms Typically Offered: Fall and Spring

DIVISION OF NATURAL, PHYSICAL, AND HEALTH SCIENCES

Department of Biological Sciences (<https://catalog.vanguard.edu/stem/undergraduate/biological-sciences/#coursestext>):

1. BIOL 365
Remove co-requisite: BIOL 365L.
Terms typically offered: Fall, odd years.
2. BIOL 385
This course should be numbered BIOL 365L.
3. Delete course: BIOL 365L.

4. Add course: BIOT 413, Cell Culture Techniques, 3 units
This course is primarily lab based and will focus on teaching the techniques necessary to maintain mammalian cells in culture and manipulating stem cells. Exercises will include hands-on training isolating, maintaining, characterizing, cryopreserving, and manipulating *in vitro* cells in addition to independent research experience. Additional skills will include Basic Aseptic Technique; Media Preparation; Cell counting; Survival assays, Live Cell Identification and Transfection. These skills are crucial for individuals seeking career opportunities in the biotechnology field.
Terms Typically Offered: Fall.

Department of Nursing (pre-licensure and BSN)

<https://catalog.vanguard.edu/stem/undergraduate/nursing/#coursestext>):

1. Add course: NRS 468P, Community/Public Health Nursing, 2 units
This practicum course provides experiences in caring for individuals, families, and populations in the community and public health settings. Issues such as child abuse and family violence will be explored. Practicum experiences (90 hours) will be spent in simulated, and community-based experiences, which qualifies the BSN graduate for Public Health Nursing certification. (NOTE: This course previously combined the lecture and lab components; see 2019 Academic Catalog)
Co-requisite: NRS-468.
2. Total units for Year 4, Term 1 should be 17.
<https://catalog.vanguard.edu/stem/undergraduate/nursing/nursing-bsn/>

Department of Nursing (RN to BSN) (<https://catalog.vanguard.edu/stem/professional-studies/nursing/nursing-bsn/#multiyearplantext> and <https://catalog.vanguard.edu/stem/professional-studies/nursing/#coursestext>):

1. Total units for program = 30.
2. Year two, term two elective credit optional.
3. Delete courses:
NURS-305 Nursing Theory/Profesnl Pract
NURS-310 Information Tech in Nursing

Graduate Nursing

1. Delete courses:
NURS-536 Gerontology Care for Today/Future

DIVISION OF SOCIAL AND BEHAVIORAL SCIENCES**Department of Psychology (Professional Studies)** (<https://catalog.vanguard.edu/sobe/professional-studies/psychology/psychology-ba/>):

1. Total Units to Graduate = 120
2. Remove lower division major requirement: PSYD 265, Introduction to Statistical Methods
3. Remove upper division major requirements:
PSYD 367, Writing and Research

2021-2022 Academic Catalog Addendum January, 2022

PSYD 370, Childhood and Adolescence

4. Add lower division major requirement: PSYD 221, Developmental Psychology
5. Add upper division major requirement: one upper division PSYD elective

Graduate Clinical Psychology (<https://catalog.vanguard.edu/sobe/graduate/clinical-psychology/>):

1. Student Load: Full-time. A full-time academic load at the graduate level is **six (6)** unit hours or more per semester, pending specific program requirements. Students may not enroll for more than fifteen (15) unit hours in a regular semester without the approval of the Director of the Graduate Program in Clinical Psychology. (changes in bold and underlined)
