

ALUMNI SPOTLIGHT

Kelly R. Pion-Capone, M.S.

Consulting Business Owner

2016 Graduate, Master of Science in Organizational Psychology

With a psychology background and a passion for business Kelly wants you to be more successful than you ever thought possible. As a graduate of Vanguard University of Southern California with an M.S. in Organizational Psychology and over 25 years of experience, Kelly Rose Pion-Capone is an established business owner. She along with her husband founded Villa di Strategies 214, Incorporated, an image brand management consulting firm. Kelly has had the privilege of traveling the world while working and living in other countries, immersing herself in various cultures. Her past experience makes for her diverse communication skills, humble approach and concentrated efforts with clients. As an Organizational Psychology Consultant, Kelly specializes in leadership, executive coaching, motivation and personal behavior.
